

Diploma

Profoto service training 2021

Arne Pohl

Elektronik-Service-Pohl, Cologne / Germany

Has successfully attended Profoto Service training.

This is one step to obtain authorisation that entitles a service technician to perform qualified service and warranty repairs on the following Profoto products:

- **Acute series**
- **A1/A10 series**
- **B1 series**
- **B10 series**
- **D1 series**
- **D2 Air series**
- **D4 series**
- **Pro-B4**
- **Pro-7 series**
- **Pro-8a**
- **Pro-10AirTTL**
- **Pro-Daylight/Ballast**
- **Lampheads**
- **Light Shaping Tools**

This diploma is time limited, from the training date/year and then additional training sessions is required to obtain the service level.
